COMMUNITY INDICATORS

Protect and maintain local tobacco control coalition infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

Protect Hoosiers from exposures to secondhand smoke by:

- Implement tobacco-free campus policies for hospitals, health care centers, mental health centers and clinics, and addiction treatment centers
- Supporting local and/or statewide smoke-free air ordinances for worksites, including restaurants, bars, and gaming facilities

Decrease youth smoking rates by:

- Supporting community activism among youth through the VOICE movement

Decrease youth smoking rates by:

- Promoting Indiana Tobacco Quitline (1-800-QUIT NOW) throughout the community
